Zodiaken

Inom astrologin är Zodiaken är namnet på det system som stjärntecknen är en del av. Zodiaken är själva årshjulet, uppdelat i tolv delar med ett stjärntecken per del. Zodiaken har en gammal historia, och har varit inspirationskälla till konstnärer och bildskapare under lång tid.

I det här projektet ska du göra illustrationer till Zodikaken. Illustrationerna ska kunna användas till horoskop i en livsstilstidning. Det är därför viktigt att du gör dina illustrationer anpassade till tidningens målgrupp.

What's in the stars for October?

Libra September 23-October 22

This month, Libra, you may be having a difficult time figuring out what exactly it is that you want. By the 15th, all of your questions will be answered and you will be able to enjoy yourself completely by the 17th. Have fun this month, Libra. This is your month to truly go out and have fun without a care in the world!

Your Star Soul Mate: Josh Hutcherson (October 12): Josh loves to have fun and have a good time! Being friendly and easygoing are two traits you both carry that just are a part of your nature.

Scorpio October 23-November 22

It's okay to be a bit confused this month, Scorpio. Don't let your worry and confusion control you. By the 13th of the month, you should be able to figure out just what is what. A good conversation is headed your way on the 20th this month, which may change your thoughts and direction on your futurity the end of the month!

Your Star Soul Mate: Penn Badgley (November 1): As Scorpios, you and Penn are very determined and forceful to get what you want. Use your passion and excitement this month towards what you want to get it.

Sagittarius November 23-December 22

Take some time to relax this month, Sagittarius. You're hard work is really paying off by the 6th and 7th and you need to make sure to just put your feet up! By the 20th of the month, make sure you let others know what you plan on doing for the future, for it will help you when the time comes!

Your Star Soul Mate: Ian Somerhalder (December 8): Optimism is something that you have which makes you & Ian able to get through the days! Your straight-forwardness is going to grant you exactly what you've wanted!

Joshua Hutcherson

was born on October 12. Just like Libra's, Josh loves to be the life of the party and have a good time!

Capricorn December 22-January 19

Romance is the name of the game this month, Capricorn! If you don't have a current hottie right now, don't worry! They'll come to you by the 5th! Go with your gut this month, when it comes to loyalty, if someone is becoming too demanding by the 24th, tell them to let you cool off for a bit, for it will all work out.

Aquarius January 20-February 18

Make sure you keep your ears open this month, Aquarius! Listening is the most important this month, especially the week of the 7th! Pay attention to what new people are saying, for a new friendship may be forming around the 13th. Make sure you save some money for that epic adventure you've been waiting for.

Pisces February 19-March 20

Pitch in with helping other this month, Pisces! On the 8th, you are going to be feeling very grateful for the things that you have, so make sure you give back! Be involved in some community service around the 14th. By the 23rd, people will want to follow your initiative, so be confident.

Aries March 21-April 20

A change in your look is headed your way, Aries! Maybe a new haircut or even a completely new wardrobe may be in the works by the 9th. Whatever you do differently will get those wondering just who you are. Romance will be coming into your view by the 18th. Just make sure you aren't afraid to make the first move!

Taurus April 21-May 20

Whether it be a relationship, work, or even school; take your time this month, Taurus. Don't let the voices in your head telling you to hurry up with your situation get to you. Make sure you let others know how you feel, especially on the 14th and 15th; for it will help build to your relationships with others.

Gemini May 21-June 20

Gemini! You will get the things you want to accomplish as long as you have best friend beside you to get the job done! Although towards the beginning of the month, you and your friend may be facing some frustrations, by the 17th and 18th you guys are going to be stronger, and better then ever.

Cancer June 21-July 22

Keep your cool, Caner; Don't let minor setbacks ruin your month! Although you may be facing some small rocky bumps coming up, have no fear! On the Tenth, splurge a little and treat yourself, you deserve it! Keep your eyes peeled around the 20th, for things may get a little crazy at the full moon.

Leo July 23-August 22

Romance is in the air this month, Leo! But be careful, as for clashes of personalities may be a problem by the 7th of the month. If what is meant to be, it will be all set in stone by the 16th! Put your work first this month above your romance, for it will help you succeed and farther in your future!

Virgo August 23-Septer 22

Virgo, you have every right to just let go and get crazy! Especially on days like the 5th and the 6th, you will be getting loads of invitations to parties. But choose wisely, as for your decision will make a difference with the people you will be encounter and be hanging out with later this month.
